"FRIENDS"

Don't walk behind me, I
may not lead

Don't walk in front of me,
I may not follow

Just walk beside me and
BE MY FRIEND.

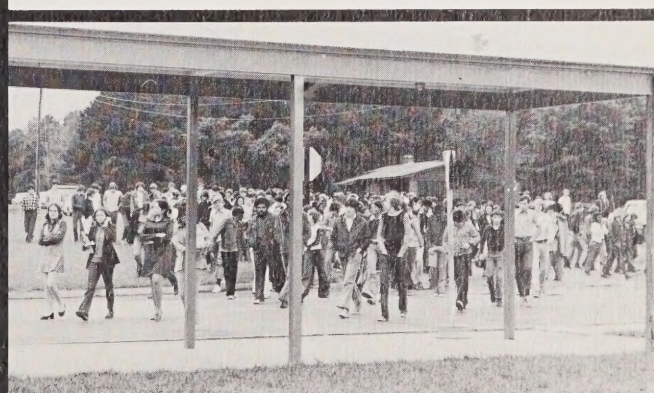
Making friends for all
the world to see

Let the people know
you've got what
you need —

With a friend
at hand, you
will see the light

If your friends

are there, then
everything's all right.



When you're down and troubled, you need a helping hand. Nothing, nothing is going right. Close your eyes and think of me. Soon I'll be there to brighten up even your darkest nights. You just call out my name and you know wherever you are, I'll come running to see you again. Winter, spring, summer, or fall, all you've got to do is call. I'll be there, you've got a friend.

People can be so cold. They'll hurt you and desert you. They'll take your soul if you let them. But, don't you let them. Keep your head together; call my name out loud. Soon I'll be knocking upon your door. Ain't it good to know that you've got a friend.

FRIENDSHIP IS:

helping someone in need . . .

attacking the enemy . . .

sharing your ups & downs . . .

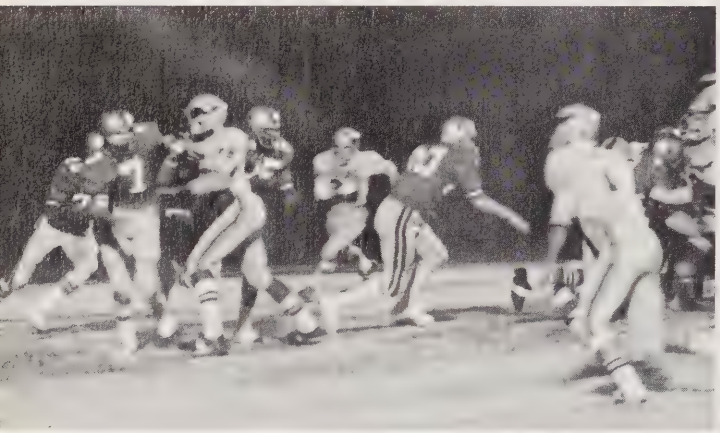
TOGETHER

walking through life . . .

working and learning . . .

STUDENT

not running over someone with your sled



losing a dollar on the Super Bowl and not killing your friend

giving away your last cigarette

being able to share deep dark secrets–CC

standing around at the break with the guys–BF

showing someone where to read in English because they've been lost for the last 2 pages–LL

FRIENDSHIP IS —

having black and white unite as one—VM

eating a peanut butter and jelly sandwich with someone you like—SB

having someone there to lean on when you need them—PP

slipping someone a desperately needed sheet of typing paper—LM

having a party, the more the merrier—AG

having a buddy you can depend on—LB

Four years ago, an uncertain class came for the first time to the "big high school." Each student felt alone and had many first experiences . . . choosing classes, hearing announcements, getting unexcused tardies, jumping on the trampoline, watching the "big red machine" roll on to another victory, going to the first high school dance, and being a punky freshman.

Soon it became evident that to keep moving ahead, some effort was required. We wrote term papers, dissected worms and frogs, crammed for exams, stumbled through NEDT tests, and experienced the thrill of driving a car. We watched the Rebs blast East Alamance off the field to the semi-finals.

And then we were juniors, selling magazines, finding out that College Board wasn't Coach Sander's paddle, flashing classrings, watching our friends get tapped, staying out until 3:00, and dressing up for Junior-Senior!

Then we finally got to park on Senior row, to sit on the front row at assembly, and to go out for lunch during exams. Our biggest shock was senior English where we discovered the truth — "We don't mess around" . . . ever. This year we began to realize that homecomings, pep rallies, ballgames, study halls, assemblies, junior-seniors, Mohiscos, and high school are a closing chapter in our lives.

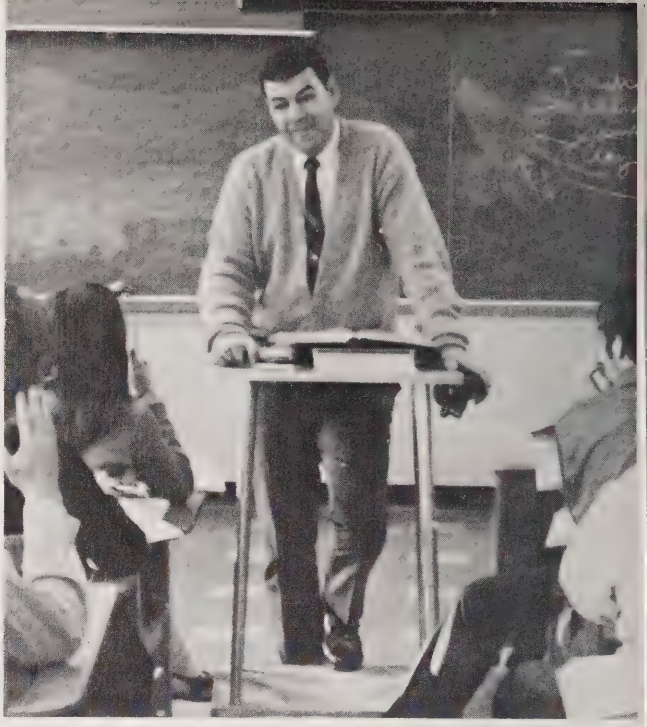
CO-EDITORS IN CHIEF



DEDICATION

Mr. Dallas Rollins

This year the senior class dedicates MOHISCO '73 to a person who has meant much to all the students of Monroe High. He is an ideal teacher because he respects student opinion and offers guidance and understanding. Besides teaching five classes of history, he devotes his time (and safety) to teaching Driver's Education classes each afternoon and during the summer.

Despite his busy life, he takes time out for fun – and is a friend to all.

We are proud to honor you . . .

MRS. MARY ANN SARTAIN

Superintendent of Monroe City Schools

Dear Seniors:

I wish to extend to each of you best wishes and congratulations as you approach a new and exciting experience in life.

As you move into this new experience, you stand squarely on the threshold of opportunity and achievement. I encourage each of you to remember that you should not attempt a thing unless you are sure of yourself; but at the same time do not relinquish it simply because someone else is not sure of you. Aim at the sun; you may not reach it; but your arrow will fly far higher than if aimed at an object on a level with yourself.

We are all proud of your accomplishments, and may your future hold continued success.

TO THE SENIOR CLASS OF 1974:

We the members of the graduating class of 1973 look back on our days at Monroe High School with many happy memories.

In our Freshman year we went to our first football games as true REBELS, attended our first dances, and experienced our first pep rallies.

With our Sophomore year there were the biology classes, the All-conference football championship, that long awaited driver's ed class, and our first trip to the beach during Easter.

Then as Juniors we received class rings, sold magazines, and took PSAT and SAT tests. We also attended our first Junior-Senior Prom.

And finally we were Seniors! There were the Homecoming breakfast, the snake dance, the bonfire, and that first walk down the aisles as Seniors. We started looking for THAT letter from THAT important college. Then the day came for us to order graduation announcements. We were measured for caps and gowns as we started looking forward to that very momentous day, graduation. Then in all of our excitement we realized that this, our last year at MHS, was also a sad one. It meant going to our last football game, the last pep rally, and our last walk down the aisle. Although we leave these things behind, they will live on in our memories forever. We hope that you, the Senior Class of 1974, will cherish your years here at 'ole MHS as much as we have. Good luck in the future in whatever you do.

STUDENT COUNCIL

The purpose of the Student Council is to provide the students with a voice in the government of M.H.S.

Through the hard work of the Council and the cooperation of the students, our Homecoming Week was a great success. The Council also sponsors the Valentine Dance and other projects which they feel will entertain as well as help teach the students to get along with the faculty and even more important with themselves.

MIXED

The chorus this year was the largest in Monroe High School's history with 115 regular members and five part-time members. It consists of the Girls' Chorus and the Mixed Chorus and is under the skillful direction of Miss Edith Judkins.

The chorus has been very active this year. Along with its usual activities such as the district contest and singing at graduation, it has also made numerous guest appearances, including one on television.

Miss Judkins feels the Monroe High School Chorus is "moving forward to be one of the best high school choruses in the state." One is inclined to agree with her.

ion Voyage, Madame!

Mrs. Jerry Hammond unfortunately had to leave us fter the first eight weeks of teaching French in 1972. Her usband accepted another position in Ohio and brutally dragged her from her all but happy pupils. Mr. Hammond vas heard to have remarked, "I did it all because I'm toned in Love with you."

Mrs. Young, mild-mannered Librarian and of French heritage, decided to apply for the position. She was repeatedly warned of the hostility of the students because of Mrs. Hammonds' departure. She remarked, "I'm strong, I'm invincible, I'm French."

CARMENCITA ROSALES

We are very fortunate in having "Menchie" Rosales as our foreign exchange student this year. She is from Daet, a city in the Phillipines and resides with her American "family", the Charles Norwoods. Menchie has taken an active part in school affairs. She was elected reporter of the senior class. She is also vice-president of the chorus. Because of her warm personality, one can easily see why Menchie was voted the senior superlative, Friendliest. In the dramatics club, Menchie has shown an excellent acting ability. Her intelligence has earned her an honorary membership in the National Honor Society.

I woke up in Love this morning.

Menchie has had many new experiences. Her reaction to her first snowfall was complete excitement. She said it looked like rain, only white, and didn't want it to ever melt. She couldn't believe how beautiful it really was! At Christmas she was surprised with a pajama party, and had a ball.

We will all miss Menchie's frequent laughter and her friendly smile after she leaves. She has been a welcome addition to our school and we hope she will remember us fondly as we will remember her.

Mrs. Hilton's class can't be that boring!

without friendship
